Dear Editor-in-Chief,

Subject: Submission of Manuscript – "AI Adoption in Programming Education: Examining Cognitive, Affective, and Competency Factors with Gender and IT Experience as Moderators"

I am pleased to submit our original research article entitled **"AI Adoption in Programming Education: Examining Cognitive, Affective, and Competency Factors with Gender and IT Experience as Moderators"** for consideration for publication in your esteemed journal.

This manuscript explores the critical factors influencing the integration and acceptance of Artificial Intelligence tools in programming education. By comprehensively examining cognitive, affective, and competency dimensions, alongside the moderating effects of gender and prior IT experience, this study provides actionable insights and frameworks for educational institutions seeking to implement AI effectively into their curricula.

I confirm that this work is original, has not been published elsewhere, and is not currently under consideration for publication by any other journal. All authors have approved the manuscript and agree with its submission to your journal.

Per the journal's submission guidelines, please find below the detailed information and institutional profile links for the author(s):
